

MCPS BOUNDARY STUDY - SURVEY #2 IS NOW AVAILABLE

Gibbs Community - we need your support once again!!

Dear Neighbors,

The Montgomery County Education Board is considering reassigning William B. Gibbs, Jr., Elementary School from currently Rocky Hill Middle School to either Neelsville or MLK Jr. Middle School and from currently Clarksburg High School to Seneca Valley High School. In addition to the original options offered (started with 8 options), **MCPS has now added 6 more options (totaling 14 options with 10 unfavorable to Gibbs). Very important to take survey #2 even if you filled out the original survey.**

This reassignment would have a **NEGATIVE** impact on our community and our children's education. The Gibbs Community is asking for our neighborhood to stand united in support of our children's future and keeping them in the Clarksburg cluster.

This flyer was created and distributed by the Gibbs Student Advocacy Group. Please direct any questions to CHSBoundarySurvey@gmail.com.

PLEASE COMPLETE SURVEY #2 & SUPPORT OPTION 12!!!

How Can You Help Fight This Reassignment?
