

FINE ART & LEGO ROBOTICS!!!
William B Gibbs Jr Elementary

****Register online at Parker-Anderson.org***
OPEN ENROLLMENT (limited space)

FINE ART: Learn how to use color pencils, learn to paint, make sculptures, and so much more. Projects to keep for a life time. Learn how to be creative with your mind through art, storytelling and music.
2/6/19 – 3/29/19 4-5pm \$63.00 Wednesday 5 sessions

LEGO ROBOTICS Students build new and different projects each week as they learn to make basic robots and learn building terms, with basic programming. They'll learn all about gears, wheels, axles, levers, and pulleys. This class is as fun as it is educational!
2/15/19-3/29/19 \$63.00 Friday 5 sessions

****Register online at Parker-Anderson.org***
