

Sponsorship Opportunities

Corporate Sponsorship \$10,000 - \$50,000

Empowered girls power the world and your organization can help impact an underprivileged girl to become a confident change agent within her community, become a first generation college graduate and a leader among her peers. Our corporate sponsorship packages offer a variety of customizable partnership opportunities enabling you to align your philanthropic, marketing and community relations objectives with college focused, workforce development, outreach and education for our girls.
