

Shelbyville—Bedford County Public Library

“The Heart of the Community;
the place for everyone to meet, discover & grow.”

Many of you have asked the question “How can I help the library?”

There are many ways to help and support your local library. One of those is to become a member of the Friends of the Library. The

Shelbyville - Bedford County Library has a wonderful group of folks on our Friends of the Library Council and we are always looking for others to join!

“What do the Friends of the Library do?”, you may ask. Well, they do a lot! Without this group our library could not function as smoothly and do as much for our great community. They hold the largest fundraiser that the library has each year in October, the Annual Author’s Luncheon. This event features a different author each year and the authors usually have a connection to Bedford County, Middle Tennessee, or the South. This event was started over 30 years ago with the first speaker Sarah Cannon (a.k.a. Minnie Pearl)! Since then they have had many great authors and it has become a much anticipated event in our community. We are already planning for the 2019 Author’s Luncheon, so mark you calendars for the 2nd (or 3rd) Tuesday in October!

If you would like to become a member of the Friends of the Library please fill out the form on page 4 and drop it by the library or mail it to 220 S. Jefferson St., Shelbyville, TN 37160. By becoming a member of the Friends group, your membership money goes toward helping the Friends and the Library in many different ways throughout the year. If you would like to take an active role in helping the library, mark “Yes” to becoming a member of the Friends’ Council. The Council meets monthly from March to October, with September & October being the busiest time while we are planning the Luncheon. Meetings are held on Tuesdays @ 4:30 and usually last about an hour. We would love for you to join us in supporting the library in either of these ways and hope to hear from you all soon!

The new YA Shelving is here and it looks amazing! Special thanks to the Friends of the Library for their donation to help fund this new furniture for the Young Adult Dept.

Friends of the Library Council Report

Dear Friends,

Spring is just around the corner! A time for new beginnings. While the Friends of the Library don't traditionally meet during late fall and winter months, we look forward to spring and meeting monthly beginning in March to set our plans for the year. Some Council members have actively participated with our group for years and have moved on to new endeavors. If you have been considering being a part of the Friends of the Library Council, please join the group for our April meeting.

The Friends of the Library Council is working diligently on plans for this year's activities in which the highlight is the Annual Author's Luncheon. We are in the process of lining up our speaker and setting the exact date. So please look for a save the date announcement in the very near future!

If you haven't visited our library lately, go by and check out the new shelving in the young adult area! The shelves are beautiful and very accommodating to young adult readers. Our primary objective of the Friends of the Library Council is to raise as much money as possible in order to assist the library in serving and accommodating our community. We take this commitment very seriously which is why the luncheon is an important project.

We look forward to seeing some new faces at our Friends Council meeting in April! Stay tuned for the announcement of the Annual Author's Luncheon date!
