

## **Notice of Race** **General Information and Eligibility Rules**

The Camden Classics Cup will be governed by the current *Racing Rules of Sailing, US Sailing Prescriptions*, and class rules governing one design yachts, except as amended by the Sailing Instructions.

The sailboat races are open to all yachts that have a valid 2019 Classic Rating Formula (CRF Mk II), 2019 PHRF-NE certificate, 2019 ORCs<sub>y</sub> Certificate, or that conform to one-design class rules. To obtain a CRF MK II certificate go to <http://classicratingformula.com/renew-certificate>. To obtain a PHRF-NE certificate go to [www.gmora.org](http://www.gmora.org). To obtain an ORCs<sub>y</sub> certificate go to <http://www.orc.org/index.asp?id=202>

The sailing fleet will be divided as follows: CRF, PHRF & ORCs<sub>y</sub> Racing Divisions, CRF & PHRF Cruising Divisions, CRF Daysailer Divisions and One-Design Divisions. The Race Committee will determine division breaks within the fleets once all boats are registered. It is the RC's intent the division breaks within the fleet will provide close and exciting racing. If you wonder which Class your boat will sail in please contact us and we will figure out the best fit for your boat.

There will be CRF, PHRF, ORCs<sub>y</sub> and One-Design racing on Friday July 26 and Saturday July 27, 2019.

All sailing yachts must meet Category 5 (Appendix J) of the ISAF OFFSHORE SPECIAL REGULATIONS with the exception of the yachts in the Daysailer Division.

**It will be the owner's responsibility to see that his/her yacht is sound, seaworthy, and safely equipped. RRS Part 1 Fundamental Rule 4 states, "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."**

\*The **Spirit of Tradition Division (SOT)** will be open to any yacht with a valid 2019 CRF MK II rating and fitting the following criteria:

- The yacht is built of any material, or combination of materials, in any method, by any builder.

The Race Committee reserves the right to assign a boat to a specific class with the sole intention to promote fun and fair racing, regardless of the class guidelines.

**Division breaks within the fleet** will be made at the discretion of the race committee and will be announced on the event bulletin board and at the skippers meeting.

## **Prizes and Awards**

While the Camden Classics Cup is an inclusive regatta open to a diverse fleet, we all come together to honor and appreciate the historic yachts that enhance our waters. With that in mind, the Camden Classics Cup, a Tiffany sterling silver perpetual trophy, will be awarded to the yacht with the lowest score in the Vintage or Classics Division.

To be eligible to win the Camden Classics Cup, a yacht must race in the Vintage or Classics division under the handicap rules assigned to that division. If a class of one-design yachts wishes its members to be in contention for the Cup, that class must race in the appropriate Vintage or Classic division, and each yacht must possess a valid 2019 CRF certificate. See the Sailing Instructions for details of scoring and tie breaker for the Camden Classic Cup Trophy. The class may additionally be scored as a one-design class using the finishing order acquired within that division.

The Camden Classics Cup Yacht Club Challenge is awarded to the yacht club with the lowest cumulative score of the top three club member's results. All fleets/divisions in the regatta are scored in the Yacht Club Challenge.

In Divisions with 6 or more entries, regatta prizes will be given to First, Second, and Third place yachts. In Divisions with 3 to 5 entries regatta prizes will be given to First and Second place yachts.

A yacht MUST check in with the Race Committee at the starting area on each day to be eligible for Regatta prizes.
