

Quality Supervision

with Ivy M.S. Chung, Ph.D., BCBA-D

One of the essential job duties of BCBAs is to supervise interventionist or behavior technicians who may not be certified practitioners of ABA. This workshop will review the current BACB standards and requirements on the important features of supervision and an evidence-based staff training strategy called *Behavioral Skills Training*.

* **Thursday, January 12th, 2017**

7:00-8:30 PM [1.5 CEU]

**19/F Kennedy Town Center,
23 Belcher's Street,
Kennedy Town, HK**
