

The Center for Christian Counseling, Consultation & Training, Inc.

Developing Parenting Boundaries with Truth and Love

This group therapy workshop is specifically designed to help parents implement a healthy, Biblical-based parenting plan. Inspired by highly effective parenting resources like *Boundaries with Kids* (Cloud and Townsend) and *Parenting with Love and Logic* (Cline and Fay), this six week workshop will empower you to parent your kids of all ages with a newfound spiritual clarity, confidence and enjoyment.

This group will help you to:

- ◇ Learn the Importance of God's Plan for Parenting and Boundaries
- ◇ Identify the Different Roles as a Parent and the Styles of Parenting
- ◇ Identify and Overcome any Unhealthy Parenting Boundary Styles
- ◇ Avoid Unhealthy Patterns and Unnecessary Boundary Injuries to Your Child
- ◇ Learn to Overcome Common Barriers and Resistance to Healthy Parenting
- ◇ Practice Implementing Effective and Practical Parenting Techniques

About Justin:

Justin Bangert is a licensed marriage and family therapist with a deep passion for working with individuals, couples and parents. As a skilled group facilitator, he is devoted to helping others learn and implement relationship skills that will bring harmony and satisfaction into their lives and relationships.
