

Greg Millard LL.B - Consultant

I have been engaged in a wide variety of management, leadership and advisory roles in the public sector for 19 years including appointments as a Court Registrar, Search and Surveillance Act Issuing Officer and holding a Government Security Clearance allowing me to act as one of just two Registrars able to deal with Terrorism Suppression Act applications. I have governance experience as chair of the Board of Trustees at an integrated year 1 -13 school. I also have recent experience working as an Employment Advocate servicing clients nationwide, providing advice to both employees and employers, representing them in settlement negotiations and mediation. That variety of roles has allowed me to glean a wide range of Human Resources experience and capability including conducting Employment Investigations.

Legally qualified and an enrolled Barrister and Solicitor of the High Court of New Zealand, I have a naturally enquiring mind. I consider and weigh all angles and arguments. I make decisions that survive scrutiny and that hold up under inspection. I also enjoy working with people, building a rapport quickly, putting them at ease and getting the best from them.
