Colour: Silver triangle/White

Chime 065 - \$86.26

CHIME 665

Electromechanical 2 Tone Chime for operation with an external transformer or a 9V D type battery (not included).
Colour: Blue square/White

Chime 665 - \$53.79

CHIME 565

Electromechanical 2 Tone Chime for operation with an external transformer or a 9V D type battery (not included).
Colour: Silver square/White

Chime 565 - \$86.26

CHIME 569W

Electromechanical 2 Tone Chime for operation with an external transformer or 4x1.5V C type batteries (not included).
Colour: White

Chime 569W - \$56.36

CHIME 169TrW

Electromechanical 2 Tone Chime with integrated 230VAC transformer.
Colour: White

Chime 169TRw - \$111.44

BELL LTW 1101A

Bell with white plastic housing. 8VAC supply 84dB output.

LTW 1101A - \$23.06

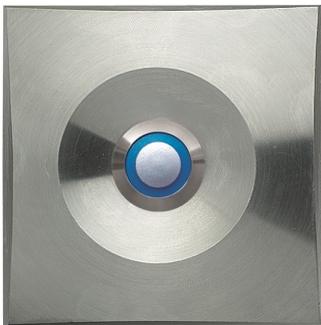

ETA S 100

Stainless steel circular door chime push button in solid design

ETA-S-100 - \$234.18
ETA-S-100W with white LED - POA
ETA-S-100B with blue LED - POA

ETA S 200

Stainless steel square design door chime push button in solid design

ETA-S-200 - \$310.38
ETA-S-200W with white LED - POA
ETA-S-200B with blue LED - POA

ETA S 102

Door Chime push button made of stainless steel material - circular design

ETA-S-102 - \$200.36

ETA S 202

Door Chime push button made of stainless steel material - square design

ETA-S-202 - \$200.36

ETA S 302

Door Chime push button made of stainless steel material - oval design

ETA-S-302 - \$200.36

ETA S 402

Door Chime push button made of stainless steel material rectangular design

ETA-S-402 - \$200.36

ETA 2310

Surface mounted cast brass door chime push button - brushed brass finish

ETA-2310 - \$61.35

ETA S 2312

Surface mounted cast brass door chime push button - textured and burnished brass finish

ETA-2312 - \$61.35

MONTILUX

Surface mounted plastic weatherproof door chime push button with illuminated name strip.

Montilux - \$16.53

ETA 2132 & ETA 2122

Surface mounted plastic weatherproof door chime push button with name strip.

ETA-2132 illuminated - \$20.72

ETA-2122 non-illuminated - \$16.53

KKO SERIES

Surface mounted plastic weatherproof door chime push button - non-illuminated

Colours: White / Silver with Black push button

KKO-2001 (White) - \$9.48

KKO-2001-S (Silver/Black) - \$25.36

KKO L SERIES

Surface mounted plastic weatherproof door chime push button - with LED illumination

Colour: White and Silver

KKO-L-2001 (White) - \$18.13

KKO-L-2001-S (Silver) - \$32.79

KKO 2005 SERIES

Low cost surface mounted door chime push button
Colours: White and Black with White

KKO-2005 (White) - \$4.14
KKO-2005B (Black/White) - \$4.14

GT 50810

Bell Transformer with Fail-safe. 230VAC input with 8VAC (1.0A) output. 2 Modules wide.

GT 50810 - \$55.26

GT 1965

Bell transformer with fail safe. 230VAC input with 8VAC (2.0A) output. 2 Modules wide

GT 1965 - \$67.89

GT 36 AP

Surface mounted installation kit for GT 50810 and GT1965 safety transformers

GT 36 AP - \$2.42

MISTRAL 300M

Wireless door chime set with a range of 250m or expandable with distance booster option. Includes 17 melodies and LED flash indicator. Transmitter push button is waterproof (IP54).

MISTRAL 300M - \$265.75

MISTRAL 200M

Wireless door chime set with a range of 250m (not expandable, without distance booster option). Includes 17 melodies but without LED flash indicator. Transmitter push button is waterproof (IP54).

MISTRAL 200M - \$199.33

MISTRAL 300E

Wireless door chime without transmitter push button. Includes 17 melodies and LED flash indicator.

MISTRAL 300E - \$179.19

MISTRAL 300M(E)BM

Wireless chime set with a range of 200m or expandable with distance booster option. Includes 17 melodies and LED flash indicator. Transmitter push button not included - instead a movement detector with a maximum monitoring range of 108° at 15m is supplied to trigger the chime. Indoor use only.

MISTRAL 300M(E)BM - \$398.43
