

Board Director Opportunity

Founded in 2010, Multi-Material Stewardship Manitoba Inc. (MMSM) is the not-for-profit, industry-funded organization that develops, implements and operates the province's residential recycling programs for printed paper and packaging. MMSM works on behalf of the manufacturers, retailers and other organizations that supply packaging and printed paper to Manitobans. These organizations pay fees to MMSM based on the materials they supply in Manitoba and these fees are used to reimburse municipalities up to 80% of the net cost of the residential recycling system. MMSM's goal is to ensure recyclable waste is captured efficiently and does not end up in landfill. MMSM actively promotes the reduction, reuse and recycling of the material managed in its program and is governed by a Board of Directors consisting of seven industry representatives and two unrelated independent directors. The board provides valuable input and governance to the organization and consists of representatives from various sectors, including grocers, beverages, retailers, consumer products, alcohol beverages, printed paper and the restaurant industry.
