

BGRS Supplier Partners Recognized for Superior Supplier Performance

BGRS announced the winners of our esteemed supply chain relocation awards, recognizing 54 suppliers at our 2017 Supplier Partner Forum in Chicago, Illinois.

With an ongoing focus on superior service excellence, BGRS has continued to collaborate with our supplier partners to enhance performance management and innovation, optimize mobility spend and mitigate risk.

Given the amount of change underway in talent mobility, there has never been more opportunity for supplier partners to bring solutions and value to BGRS and our clients. To recognize and share examples of such accomplishments, we were delighted to also honor winners of four new award categories:

- Service Excellence
- Transformation Award
- Innovation Award
- Supplier of the Year

In addition, BGRS acknowledged those supplier partners who significantly contributed to the [Move for Hunger](#) initiative. To date, BGRS supplier partners have delivered close to 720,000 lbs. of food, providing nearly 600,000 meals to individuals in need and \$164,000 in donations.

BGRS would also like to thank our supplier partners for supporting [Feeding Children Everywhere](#) by collaborating as a team and packaging 50,000 meals for distribution throughout the United States to those whose lives have been disrupted by the recent hurricanes and flooding.
