

## What is "Group for You"

"Group for you" is a small group of people who are at similar stages in life, seeking support for similar life issues, or who share the same interest through studies and activities. There is a group for you! Check it out!  
**A nursery will be provided for all Wednesday night events.**

### Revival

**Adam Hamilton**

**Led by Rev. Ellen Alston and  
Rev. Austin Rinehart**

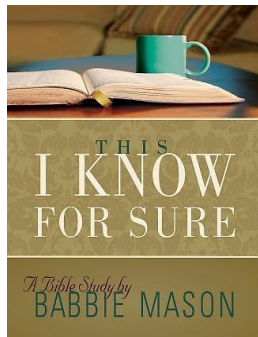

*"In every Christian's life, spiritual vitality or passion wanes over time. This is actually true in all aspects of our lives. In marriage, we slowly find that the fire diminishes if we're not intentional about revival in our love lives. This happens in friendships. It happens with our jobs – we call it burnout. In every part of our lives we need revival from time to time." – Adam Hamilton*

Join Rev. Ellen Alston and Rev. Austin Rinehart for a 10-week study on a modern day Revival rooted in the Wesleyan Revival of the 18<sup>th</sup> Century. Through interactive study and video we will travel to England, following the life of John Wesley and exploring his defining characteristics of a Wesleyan Christian. John Wesley's story is our story. His message and his faith continue to speak to 21<sup>st</sup> century Christians—calling us to rediscover our spiritual passion, and experience revival of our hearts and souls to change the world.

### Men's Study

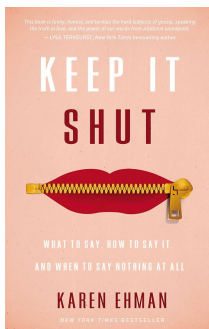

**Wednesdays at 6:00 PM?**

The men will meet at a pre-determined restaurant each Wednesday. There will be a short devotional and opening and closing prayer. In between will be open discussion on various topics.

This is a six week study that challenges you to examine your personal relationship with God, make up your mind to believe God's Word and take hold of some non-negotiable principles of the faith.

Henning Memorial United Methodist Church will host a satellite BSF this year. Please contact Vicki Nezat at 515-0969 or Tracy Stelly 794-8038 for more information.

**Covenant  
Ladies' Bible Study  
Led by Sue Brinkley**

This covenant experience will guide participants in a comprehensive, in-depth study of the Bible over twenty-four weeks. Unlike the learning participants may have experienced in other groups, this in-depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people.
