"Sinning Like a Christian: A New Look at the Seven Deadly Sins" by William Willimon Led by Scott Bergstedt

The seven deadly sins are a well-known topic, but, surprisingly, not much has been written about them in recent years from a serious theological viewpoint. Dr. Willimon feels that a new look on this topic would be timely and of great interest to Christians.

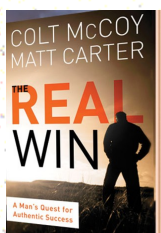

He takes an unflinching look at the meaning and substance of sin. The "felt need" is an increasing dissatisfaction with shallow, feel-good Christianity which does not attempt to grapple with our propensity, visible around us and in our own lives, to do evil. You can sign up by emailing the church via our church website at www.henningmemorialumc.org or by calling the church office at 527-5483. Cost for this study will be \$10.00 for the books. Child care will be provided.
