

Save the date!

**ENGSO 27th GENERAL ASSEMBLY
Frankfurt, Germany, 14-16 June 2019**

**Including ENGSO Youth Assembly, final conference of ASPIRE and
ENGSO EU seminar**

Dear Friends and Colleagues,

On behalf of ENGSO, the European Non-Governmental Sports Organisation, we are asking you to please save the date for the 27th ENGSO General Assembly that will be organised in Frankfurt, Germany and hosted by the German Olympic Sports Confederation, DOSB, on 14-16 June 2019. At the same occasion, the ENGSO Youth Assembly, the final conference of the ASPIRE project and ENGSO EU seminar will be organised.

Frankfurt is the business and financial centre of Germany and is known for its futuristic Skyline. Frankfurt is a city of sports and hosts a number of large-scale international sporting events every year. The three biggest are the "Around the Finance Centre of Eschborn-Frankfurt" professional cycling race, the Frankfurt Marathon and the IRONMAN European Championship Frankfurt.

The General Assembly 2019 will among other procedures also include elections. President, treasurer and two members of the ENGSO Executive Committee will be elected. In February we will send information about the nomination process, the time schedule, the draft programme and the registration link to the event.

If you have any questions, please contact ENGSO Office Director Marie Denitton, secretariat@engso.eu.

We are looking forward to welcoming you to Frankfurt in June 2019 at the ENGSO General Assembly, and would be honoured by your participation!

Stockholm, 3 December 2018

With best regards,

Carlos Cardoso
President

Stefan Bergh
Secretary General
