About us

McClure Solicitors has been providing well informed advice since the firm was founded in 1853. Today we specialise in asset protection, estate planning and inheritance tax planning, helping clients across Great Britain to protect their assets and pass them on efficiently. We began many years ago as a small firm in the West of Scotland but have grown to be a national company with offices throughout England, Scotland and Wales. Our Directors are dual qualified in both English and Scots Law. New clients are flocking to us on a regular basis to take advantage of our fairly unique services. Indeed over 600 new clients join us each month.

We continually strive to ensure that our service matches each client's expectations.

McClure Solicitors is pleased to provide **free** Wills for charity.

Why do I need a Will?

You already know that every adult should have a Will. Without a Will the law decides who inherits. With a Will you decide. With no Will it will usually take longer and cost more to wind up your estate.

Why should I do it now?

None of us knows what is around the corner. If you leave it until you need it, it will be too late. So let's get it done.

Why should I use McClure?

There are three good reasons:

1. We have been preparing Wills since 1853 so we are good at it. We prepare thousands per annum so you are in good hands.
2. A standard Will only states who is to benefit when you die. Our "Estate Planning Wills" ensure that your estate finishes up where you want it. Quite a difference.
3. At present we will prepare your Will free of charge. Just consider a donation for a charity of your choice. So now you can support charity and get a good deal.

What McClure can do for you

- We make your Will free of charge.
- You don't pay.
- The charity doesn't pay.
- You consider a donation for a charity of your choice.
- All of your donation goes to that charity.
- Simple as that.

Why do we do this?

- Everyone benefits.
- You get the Will you need.
- We raise funds for charity.
- Over 50% of clients go on to use McClure for other services.

Safe. Secure. McClure.
