

Get a job and sell some beer!

Bossuwé Brewing Co. is looking for a **One-Man-Army (m/f/x)** to spread the wort and to support your local frontline sales force!

1) The One (m/f/x) we are looking for:

- Good at improvisation and thinking on your feet
- A serious level of tolerance, especially towards the consumption of beer
- Very good knowledge of Dutch/French/English
- Butch enough to carry a few crates, load up a van and deliver the goods
- A history of getting the job done
- A sense of humour

2) Also:

- Some experience in something commercial, preferably in an actual business
- An education
- A valid B driving license
- Real computer skills
- Modern communication and administration skills
- Flexible attitude on working places and hours
- Being stress-resistant
- Reliable and loyal, upright and upstanding, a reputation beyond reproach and of an unquestionable personal integrity

3) A Plus:

- Based in or around the Kortrijk-area
- Being out there and going above and beyond to take the road less-travelled
- An affinity with the effects of beer and its times and places of consumption
- Being very stress-resistant
- Occasional and often misunderstood revolutionary tendencies
- Being one of the good guys (m/f/x)
- A pioneering spirit
- DIY-Mentality

4) **A Big Plus:**

- Having been around the block a few times
- Previous experience with monkey business
- Ability to keep your cool around rockstars
- Getting away with things in a good way
- Comfortable with permanent states of chaos
- Getting us all backstage at Rolling Stones gigs
- Being very, very stress-resistant
- Good at bringing fires or at putting them out
- Impervious to middle-lane driving and rush hour traffic
- The ability to choose wisely between the red and the blue pill
- Good with cutting-edge things and with bandages
- Collecting World Champion titles
- A pro at holding the other person's beer while they are off doing stuff

5) **Definitely a Plus:**

- Ex-Special Forces or former Airborne Commando
- An honorary PHD somewhere
- Being very, very, very stress-resistant
- Many, many years of successful and solid working experience at one and the same respectable employer while still remaining open-minded, ambitious, positive, hungry, passionate, unspoiled, fresh and efficient
- In-depth knowledge of Sanskrit
- The ability to safely remove a guy's (m/f/x) appendix with a grapefruit spoon

6) **Probably not a Plus:**

- You name it.

What we are offering:

A chance to **join our dirty dozen in taking on the forces of darkness** in a legal way! Also, **a pretty good salary, on-the-job training, enormous growth potential and some other swanky stuff.**

Convince us that you are the One (m/f/x)!

Send all your applications, fan mail and letters of love and praise to:
