

# LIVESTOCK SYSTEMS TECHNICIAN

Gisborne, NZ

An opportunity has arisen within Integrated Foods Ltd for a dedicated and motivated individual to join our farming team in and around the Gisborne Region. We are looking for an energetic self-starter to support our effort to continuously improve the production and quality on farm.

Reporting to the General Manager, NZ Farming this role provides technical farm support and services across the Groups farming operations. No two days are the same ranging from lab work, auditing, analysis, genetics, management reporting, sampling and projects to name but a few.

To be successful in this role you will have:

- Practical farming experience
- Good stock sense
- Proficiency in Microsoft Excel, Word and Outlook
- Excellent communication skills
- Good appreciation of HSE requirements
- Analytical skills
- Accurate eye for detail
- Strong problem solving skills

This is a great opportunity to be involved in an international agribusiness with exciting growth prospects. For further information and to apply please visit our website <https://www.iflgroup.co/>
