PURSUE GOD, BUILD COMMUNITY,  
and LIVE GENEROUSLY for the  
transformation of the world.

# VISION

## PURSUE GOD

We want to help others PURSUE GOD corporately and individually. By the start of 2021, we will have 2 Contemporary Worship Services and 1 Traditional here on site. We will also have a mid-week beach service in the Summer and a midweek ministry during the off-season serving locals and visitors. We will average over 1000 people of all ages and races in weekly worship and have experienced 200 baptisms. We will work tirelessly to make sure the next generation understands the love and grace of Jesus Christ. Our age level ministries will be well funded with safe, irresistible environments.

## BUILD COMMUNITY

We want Good News to be central to life in South Walton. We want to be a church home for locals and a refuge for visitors. By 2021 we will have more people in weekly small groups than in Sunday Worship. We believe that big faith is grown in small groups. We want our facilities to be viewed as local gathering spaces that are safe, welcoming, and beautiful.

## LIVE GENEROUSLY

We will be known by our love. We will give \$300,000 to serve others. Generosity is more than money, and as people of Good News we want to be generous with our entire lives: our words, our facilities, our prayers, presence, gifts, and service. We will have people of Good News involved in every local ministry in our area.
