

Miss Rachel's 4's

In our classroom this week, we started learning our letters with the letter 'L'. We started our week thinking of words that begin with 'L', and going outside to collect leaves.

We did several activities with our leaves, rubbings, thinking about size, color, and texture, and a fun leaf game at circle time that helped us identify colors and numbers!

Looking ahead, October is fun filled! The fire truck and petting zoo are visiting, we have fall pictures, and of course, our Halloween parade and party!
