The Bible Timeline: The Story of Salvation

by Jeff Cavins, Tim Gray, and Sarah Christmyer

This is the foundational study in *The Great Adventure Bible Study Series* that has helped hundreds of thousands of Catholics learn to read the Bible.

The Bible Timeline is a fascinating study that takes participants on a journey through the entire Bible. This course goes deep into each period of salvation history to help you discover the amazing story woven throughout all of Scripture. Using a unique color-coded system, you will learn the major people, places, and events of the Bible and see how they all come together to reveal the remarkable story of our faith. *The Bible Timeline* has been granted the *Imprimatur*.

Through the course of this 28 week study at St. Coleman we will:

- Read **14 narrative books** of the Bible and discover the amazing story of salvation
- Learn how the key **people, places, and events** in the Bible fit together to reveal God’s plan for humanity
- Study the Bible from a **Catholic perspective** and see how our faith is rooted in Sacred Scripture – including cross references to the Catechism of the Catholic Church, papal encyclicals and other Church documents
- See how the events in the Old Testament are **fulfilled in the New Testament** by Christ and the Church
- Gain a **greater appreciation for the Scripture** readings you hear during Mass
- See how **God reveals himself** to us through Scripture and learn how **God's Word applies** to your life today
- Develop a life-long hunger for knowing God in his word and **lay a strong foundation** for further Bible reading and study

This is a Structured, Logical Approach

Home Preparation

Reading assignments and study questions are completed before participants come together. This way students have already worked through Scripture on their own.

Small Group Discussion

Participants have the opportunity to answer questions and share insights in a small group format.

DVD Presentation

A dynamic and engaging (50 minute) DVD lesson is presented by Jeff Cavins.

Review

A final review is provided in detailed responses to the questions, which are also part of the study set. These are always given out at the end of the sess
