

Out of the
DARKNESS
COMMUNITY WALKS

American Foundation
for Suicide Prevention

**Support "The Cucchinators"
as we walk in the
"Out of the Darkness"
Broward County Walk
Sunday, November 13, 2016**

My husband, Dan Cucchi, suffered from PTSD, and suffered in silence. He was a police officer and detective for 29 years. On September 15th, 2015, he died by suicide. Across the country, an average of 436 law enforcement officers have taken their lives each year since 2004, according to the **National Police Suicide Foundation**. Please help others suffering in silence to have the courage to seek help. You can make a donation on my page in honor of Dan, or become a member of our team "**The Cucchinators**". You can walk or be a virtual walker on our team in honor of Dan. The walk will be at Nova Southeastern University in Davie on November 13th, 2016. Check-in/Registration begins at 8:00 AM. The walk begins at 9:00 AM and ends at 11:15 AM. I hope you can join our team, "**The Cucchinators**" or make a donation. You can make a difference. Thank you.
