Men's Team Spirit Breakfast

In recognition of **Prostate Cancer Awareness Month** and in partnership with the **Roanoke Salem Baptist Church** and **First Baptist Church of Weldon**

Come and spend your morning with us as we discuss an important men's health topic, prostate wellness, as well as other relevant topics of concern. **Dr. Natarajan Rajan, MD**, an area urologist, and prostate cancer survivors will be sharing information and insights. You will also enjoy breakfast while wearing your favorite sports team attire.
