Mr. Aaron Flach
RCS CBA
147 Main Street
Ravena, NY 12143

Dear Vice Chairman Flach:

As you and I have discussed over the past several weeks, I intend on seeking election to the position of Coeymans Town Supervisor this November 5th, 2019. As a founding member and Chairman of the Board of Directors of the RCS CBA, it is imperative that the Business Association maintain a nonpartisan reputation and perception within our local governments, the business community and the citizens of Ravena, Coeymans and Selkirk.

To this end, and given that you have assured me that our transition of power over the past several weeks has been completed to your satisfaction and my presence on the Board of Directors is no longer necessary, I hereby resign my position as Chairman of the RCS CBA Board of Directors, effective immediately. I shall remain an active member of the RCS CBA and shall participate on Committees as you and the other members of the Board of Directors deem appropriate.

Thank you for your continued service to our association, and for being a great Vice Chairman to me and the Board of Directors. I look forward to continuing to work with you and the Board in the future.

Very Truly Yours,

George D. McHugh
