

All year round Wrestling Heritage celebrates those who made professional wrestling great. In our A-Z we remember around 2,000 wrestlers who were active between 1930 and 1988. We have dozens of extended tributes in the Shining Stars and Personality Parade sections. The history of wrestling is told and we have memories of the places where we watched wrestling.

All this has been made possible by the collective energy of our many active members. Without those members there would be no memories and our wrestling heritage, and those who took part, would be largely forgotten.

So three times a year we go in for a bit of self indulgence and celebrate those members who have made the Heritage site a success. The Heritage Members Awards Scheme is a bit of fun.

But it also is a clear record of achievement or contribution and a more formal way of saying "Thank you" from everyone who has benefited from reading what you have written on the site.

Hundreds of members have received awards which are issued three times a year

- **The Heritage New Years Honours List**
- **The Heritage Birthday Awards every April**
- **The Heritage Pre Wrestlers Reunion Awards every August.**

All Wrestling Heritage members can earn awards by making regular contributions to the forum, adding albums to the Gallery, or if feeling really ambitious, writing articles for Heritage.

The easiest way to earn an award is to make a comment about the site in the Guest Book. So there's really no excuse. The Guest Book is reserved for comments about the website. Comments about wrestling or wrestlers in general will be removed, as these should be placed in the Talk Wrestling Forum.

We believe that Wrestling Heritage is the best wrestling nostalgia site on the web. We ask you to help us to continue keeping the heritage alive. Start today to earn your place in the next awards issue.

Congratulations and thank-you to all our award winners

Heritage Pallo Awards

Pallo Awards are presented for opening the most successful of forum topics. They come in three forms:

- The Trixie
- The Pallo Senior
- The Pallo Junior

Most Recent Trixie Recipients – August 2018

A Trixie is awarded for opening a forum topic that attracts at least 100 meaningful replies from others.

No new Awards

The Complete List of Trixie Award Holders

The Trixie was always intended as a prestige award and it was only appropriate that it was awarded on the first time for a milestone achieved at the time of The First Lady of Wrestling Trixie Pallo's death in February 2013. The first recipient of a Trixie was JN Lister's Timeshift. We have been surprised and encouraged that this topic has now been joined by others, and thank all our enthusiastic forum contributors.

Trixie holders are entitled to use the words "Wrestling Heritage Trixie Holder" in all correspondence, at the foot of their Talk Wrestling forum posts (use Edit profile) and in all Wrestling Heritage related matters.
