

The Society of Commercial Arboriculture Presents:

# ANSI® Z133 Safety Standards & Procedures Bi-Lingual Workshop Series

**ANSI® Z133: The American National Standard for Arboricultural Operations — Safety Requirements (Z133)** represents the industry standard for performing tree care operations. Because the International Society of Arboriculture (ISA) is passionate about promoting safe and efficient work environments within the arboriculture profession, ISA designed the Z133 Safety Standards and Procedures Workshop, hosted by the Society of Commercial Arboriculture (SCA). Students will learn about the incidents that cause arborists the most injuries and fatalities, and become familiar with the Z133 standards that, if followed, could mitigate life-threatening issues.

Throughout the eight-hour workshop, students will engage in a variety of challenging, hands-on indoor and outdoor activities and discussions. Those who complete the workshop will receive CEUs, a copy of the Z133 (free of charge), and a student workbook for future reference.

**ONLINE REGISTRATION AVAILABLE!  
WWW.SCA-TREES.ORG**

## Registration Information

Company: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_ Phone: \_\_\_\_\_

Member of (circle all that apply):      SCA      ISA

Attendees:

Name: \_\_\_\_\_

Email: \_\_\_\_\_

## Meet the Instructors

### Dr. John Ball

John Ball is a Professor of Forestry at South Dakota State University where he instructs courses in arboriculture and forestry. Dr. Ball also teaches rock climbing at the university, as well as the emergency medical technician courses for nursing. He also serves as the campus arborist.

Dr. Ball has conducted research in a wide range of arboricultural subjects, including tree worker performance and safety. Prior to SDSU he managed tree care companies in the East and Midwest.

### Erick Palacios

Erick is an arborist instructor and experienced practitioner; he travels the US to teach and coach many Utility, Municipal, Commercial, Residential, and General-Forestry Tree Care entities. Erick is also the arborist for Border Patrol and Homeland Security in his town of McAllen, TX. He is a consultant for USDA Animal Plant Health and Inspection Services (APHIS) and serves as a voting member for the ANSI® Z133 Committee (ASC)

### Tim Walsh

Tim is the Corporate Safety Director for the Davey Tree Expert Co. He has a Master's degree in ergonomics from the University of Massachusetts-Lowell, as well as both a Master's and Bachelor's degree in Urban Forestry from the University of Wisconsin-Stevens Point. He is a Certified Treecare Safety Professional, an ISA Certified Arborist and Certified Tree Worker Climber Specialist.

He is a voting member of the 2022 revision of the ANSI® Z133 and has been involved with the Accredited Standards Committee Z133 for several revisions.

Tim has also been a climbing arborist for more than 30 years, has owned his own business, worked as a contract climber and worked with companies around the world.
