

Byron

Darkwood Interiors

The smart and sophisticated Byron makes the whole family feel welcome. You enter the home via an welcoming open plan kitchen, dining and lounge room which opens out onto the private outdoor living space. A second lounge is well positioned at the opposite end of the house and there is plenty of storage space throughout this home. The Byron continues to impress with a secluded upstairs master bedroom offering a generous walk in robe and ensuite. The second and third bedrooms are cleverly set away between the living spaces with their very own shared ensuite. Enjoy life with the Byron.
