

## Food Plastics Co goes live with OFS in greenfield moulding plant

MELBOURNE, VICTORIA, February 2013 - Operations Feedback (OFS) a leading provider of real-time productivity improvement software, announced today that it has gone live at the Food Plastics Co. greenfield moulding facility in Campbellfield, Victoria.

OFS software is configured on state of the art blow mould bottle lines and injection mould cap lines at Food Plastics Co. measuring OEE, live production and waste. OFS Analytics suite is providing valuable, live information to both the management and operational teams and has been a factor in successfully commissioning the new plant.

“I had already seen OFS running in another production facility and thought it was outstanding, I knew it would be beneficial for our business straight away.” said Mr Hugh Donnelly Managing Director, Food Plastics Co. “We’ve gone from sign off to having production lines up and running in no time and with a minimum of fuss. I can now monitor the performance of these lines anywhere anytime...and the information really is insightful.”

“When I first saw the plant it was totally empty, and then wow, a few short weeks later, it was great to see production in full swing, with OEE hitting the high 90s!” said Mr Shoni Even-Chaim, Owner & Founder, OFS.

### **About Food Plastics Co:**

Food Plastics Co. is a Melbourne-based plastics blow moulding and injection moulding company supplying High Density Polyethylene (HDPE), Low Density Polyethylene (LDPE), Polyethylene terephthalate (PET) and Polypropylene (PP) blow moulded plastic bottles, tubs, buckets and containers. As a full service provider Food Plastics Co. also manufacture HDPE and LDPE lids and closures for dairy, food, chemical, and beverage industries.

### **About OFS ([www.ofsystems.com](http://www.ofsystems.com)):**

OFS is an Australian company specialising in productivity and efficiency improvement (OEE) software for the manufacturing industry. Over 2,500 operators are using OFS technologies in several industries: printing, packaging, labelling, cereals, confectionary, beverage, chemical, blow moulding, pharmaceutical and more. Customers of OFS include Heinz, Labelmakers, Visy, Brickwood Holdings, Murray Goulburn, Sanitarium, Amcor, HB Fuller, Food Plastics, Kraft/Cadbury, PACT Group and Golden Circle.
