

**OFS named as finalists in the 2013 Manufacturers' Monthly Endeavour Awards.**

MELBOURNE, VICTORIA, 19 April 2013 - Operations Feedback (OFS) a leading provider of real time productivity improvement software, has been named as a finalist in the 'Technology Application of the Year Award' category of the 2013 Manufacturers' Monthly Endeavour Awards for the successful implementation of OFS software products at Brickwood Holdings.

Now in its 10<sup>th</sup> year the Manufacturers Monthly Endeavour Awards celebrate the achievements some of the country's most innovative manufacturing companies, and this is fantastic recognition for the efforts of all involved at Brickwood Holdings in implementing and facilitating some tremendous efficiency improvements through the use of OFS software products.

Winners will be announced at the Gala Dinner on Thursday 9<sup>th</sup> of May at the Sofitel on Collins, Melbourne.

**About Brickwood Holdings:**

Brickwood Holdings is a leading manufacturer of plastic packaging products specialising in the blow moulding of plastic containers and closures, primarily for the beverage industry, and operate facilities across 4 sites in Australia.

**About OFS ([www.ofsystems.com](http://www.ofsystems.com)):**

OFS is an Australian company specialising in productivity and efficiency improvement (OEE) software for the manufacturing industry. Over 2,500 operators are using OFS technologies in several industries: printing, packaging, labelling, cereals, confectionary, beverage, chemical, blow moulding, pharmaceutical and more. Customers of OFS include Heinz, Labelmakers, Visy, Brickwood Holdings, Murray Goulburn, Sanitarium, HB Fuller, Food Plastics, Kraft/Cadbury, PACT Group and Golden Circle.
