Case 13-CB-222639

Dear Mr. Maritas:

Enclosed is an informal settlement agreement in this matter that the Charged Party has signed. This settlement agreement appears to remedy the violations established by our investigation and to comport with the remedial provisions of Board orders in cases involving such violations.

If you wish to join in the settlement, please sign and return the settlement agreement to this office by close of business on February 21, 2019.

If you decide not to join in this settlement, your objections to the settlement agreement and any supporting arguments should be submitted in writing to me by February 21, 2019. Your objections and arguments will be carefully considered before a final determination is made whether to approve the settlement agreement. If you fail to enter the settlement agreement or to submit objections by February 21, 2019, I will approve the settlement agreement on February 22, 2019.

Very truly yours,

Peter Sung Ohr  
Regional Director
