Director Wilson,

The National League of Justice and Security Professionals (NLJSP) is the Board certified 9(a) representative for security employees engaged in providing security at offices of the National Oceanic and Atmospheric Administration (NOAA) in Silver Spring Maryland and the Census Computer Center in Bowie Maryland.

These employees provide security to these agencies under the Department of Commerce guidelines. The NLJSP has a collective bargaining agreement with the Employer North American Security Inc. (NAS) of Carson California at both sites.

Upon advice and affidavit the NLJSP abandons all interest to this unit in all four sites and the CBA rendered to cover these locations and our 9(a) right to exclusive representation as of 5/3/2019.

Respectfully,

Ronald A. Mikell, President NLJSP
