I appreciate you for having the vision for our future and making this investment.

Let me tell you a little about the dreams your gifts make possible. Last year nineteen new funds were established, including new scholarships and academic achievement awards, an internship program fund, and a number of grant-specific funds supporting academic endeavors. They dream that their education will lead to a rewarding career and a balanced family life that includes service to their communities. Your annual gifts help make these dreams a reality.

We celebrate your passion and dedication to excellence together in this spirit of giving and as a member of our community you see first-hand the impact of your gift. Your support is critical to the success of our students and we thank you again for your commitment to building brighter futures.

Dear [REDACTED]

At the conclusion of this academic year, as the students of McGill prepare for summer courses, internships or a well-deserved respite from their studies, I wish to warmly thank each and every one of you for your contributions to our University.

I would also like to briefly highlight your Campus Community Committee's generosity of time and spirit throughout Campaign McGill. Co-Chairs [REDACTED] along with their team of volunteers, worked tirelessly to develop programs and create opportunities for us to gather, learn and contribute to areas we care about. A new tone was set in this campaign: one of positive

collective engagement and mutual support that united our entire McGill family through this group's outreach.

Since 2009, I have met many of you and your colleagues, and I have seen firsthand your drive, dedication, and commitment to our University. I have encountered so many thoughtful and valuable members of our community, and, through you, have the highest aspirations for McGill's future. Thank you sincerely for nurturing my alma mater through your vocation and all of the ways you support our efforts.

As many of you know, I soon reach the end of my term as Chancellor. Although I am saying farewell to you in that capacity, it is certainly not goodbye. I want you to know that McGill is still my University, my home, and I am so proud to continue my involvement with this fine institution and with each and every one of you.

Yours sincerely,

Arnold Steinberg  
Chancellor, McGill University

Dear First Name:

On behalf of Valencia Foundation, I would like to extend our sincere thanks and appreciation for your participation in our payroll deduction program. As a donor, you must know that your gift means more than a simple textbook or tuition payment. Your contribution represents a life transformed and has the ability to change the course of a family for generations.

Currently, a cumulative annual donation in the amount of \$1,008 is being deducted from your paycheck in the amount of \$42 per pay period. Every dollar you donate is credited to the program for which it was given with no deduction for operating costs or fundraising expenses.

All of our scholarship recipients benefit from the support they receive, no matter how large or small the award may be. One student recently wrote to me: "I wish to extend my deepest and most heartfelt gratitude toward your generous investment in my future. There is no feeling in the world like the pride you feel when someone says 'I believe in you,' and that is what this scholarship means to me."

If you would like to make a change to your current donation allocation, scholarship, or academic program simply notify the foundation by calling me at 407-582-3128 or e-mail [dmarino@valenciacollege.edu](mailto:dmarino@valenciacollege.edu). Please allow at least one pay period for your request to take effect through the college's payroll department.

Warmly,

Donna Marino
