Donate a brick. ***Pave the way for generations to come...***

Commemorate a loved one or your own UNT experience by etching your name in Mean Green tradition.

For as little as \$100, you can donate a brick paver, engraved with your name or phrase, which will be installed as a permanent part of the new UNT University Union entranceway.

Please complete the form on the back of this card and return it with your memorable gift. Your donation will go toward the Union Excellence Fund.
