

Scholarship Report 2014

More student scholarships, in number and amount, are being awarded now than at any other time in Whitworth's history. Your generosity has translated into a meaningful, sustainable resource for our students, who, through scholarship funding, attain an education of mind-and-heart. Thank you!

When I was applying for schools, I knew I wanted to attend a private university that offered smaller class sizes and a liberal arts education. But that's obviously a very expensive education, and it's not something that my family could afford. The fact that I was able to get that powerful education, and a spiritual education as well, is just amazing. I can't thank you enough.

Samson, '15 | Business Management

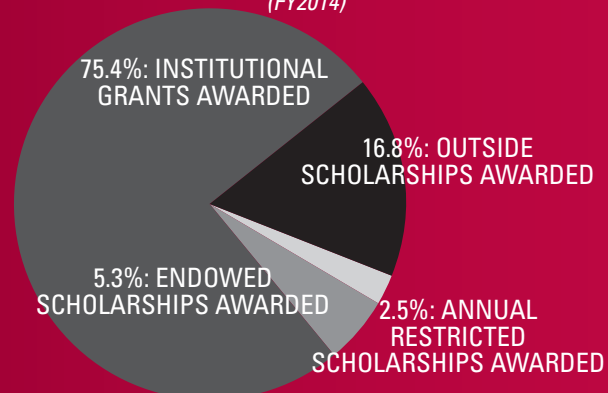

These scholarships have provided me the opportunity to go to a prestigious school, where I've learned what I need to know to be successful in the future, and I've also learned more about life. It's a blessing to know that there are people out there who have given me the opportunity to be at Whitworth.
