Dear «SALUTATION»,

Your kindness means everything to Livingston Hospice.

With your help, we provide compassionate, end-of-life care to our patients, and support for the families who go on living.

We often receive notes from family members of patients we have cared for — like this:

I want to thank you for the care my mom received while in your care. You are such a loving and caring staff. Not only did you minister to Mom's needs but you helped us as we prepared to watch her leave this earth and reunite with Dad. You are so appreciated and I have been spreading the word to everyone about your great care.

«SALUTATION», your gift will help make someone's mom, dad, sister, brother or child's last days peaceful and provide solace to their family.

And now, thanks to your thoughtful gift, we can continue to ensure comfort, enhance quality of life and persevere dignity for Livingston Hospice patients and their families.

Sincerely,

Lanyard K. Dial, MD

Dear «SALUTATION»,

You're a hero to families in need.

Your gift to Livingston CareGivers will help someone who needs a little extra assistance to remain as independent as possible in the comfort and security of their own home.

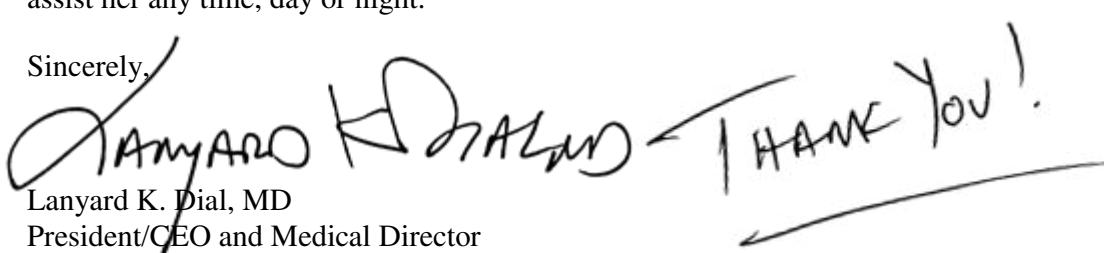

Your support also provides peace of mind to family members who know their loved one will receive essential in home assistance when they are not available to provide care.

We often receive notes from family members of patients that we have cared for through our services. Stories like this one from Lee:

Jeanette came to us when I was in dire need of help. My husband of 58 years suffered from Parkinson's and dementia and I was his sole caregiver. Stress landed me in the ER twice before I was able to get help. Jeanette makes our evening meals, dusts and so much more. She even walks our dog and makes our morning coffee! What a jewel!

And now «SALUTATION», thanks to your thoughtful gift, we can help even more women like Lee feel at ease knowing that there will be someone to assist her any time, day or night.

Sincerely,

Lanyard K. Dial, MD
President/CEO and Medical Director
