

Bee Balm Learning Center March Newsletter

Hello Snap Dragons!

Can you believe that we are coming into March already? You know what that means....Spring is just around the corner! Even with all the excitement of the arrival of spring, we still had a lot of fun in February. We focused a lot on learning how to care for each other and what it means to be a good friend, and how to love one another. We also did a lot of exciting activities that required us to all to work together. The kiddos loved working together to making our Oreo truffles for the bake sale, and putting together our friendship mix, that each friend brought in something for! A big thank to all our friends that brought in something to contribute to our friendship mix. As fun as February was, we are definitely looking forward to the arrival of spring. In March, we are going to be learning how to work together as a group to accomplish things and create things. There will be a big focus on the idea of "team work" and a lot of collaborative activities. We will also be celebrating St. Patrick's Day! Be prepared for a lot of green and lil' luck o' the Irish! Wishing everyone an early, warm spring ahead!

With Love,

Miss Courtney and Miss Cassandra
