

# Bee Balm Learning Center March Newsletter

Hello Sweet Pea Families!

February sure is a short month! We have been working very hard learning about kindness and our gentle touches! We also have learned lots about African American culture. The Peas have grown so fast, I can barely keep up! They have been doing great at their self-help skills as well as playing (and sharing!) with each other. We have been doing lots of sensory activities and exploring different textures, colors and temperatures.

We will be working on our gross motor skills so our Peas can grow even faster! They have also been quite the chatty group, we will also be working on our language development as well.

We look forward to more outside time, so that means that we will need weather appropriate clothing (shoes, coats, water-resistant clothing ect)

Love,

Tia, Christy and the Sweet Peas
