PERÚ: Escuela de Vida, CEPETRI, COSMA.

In Diagnostic, Psychotherapy and Rehabilitation Center of "Escuela de Vida", we are on anniversary.

Escuela de Vida celebrated 27 years since its creation and with the support of the Brothers of Charity it has become one of the most important therapeutic communities in Peru. We remember those days Mother Emma and extend greetings to Bro. Gilles Rivard and Bro. Ricardo Bardier, who were since the beginning of Escuela de Vida.

Thanks to take part our patients and our staff.

Congratulations!!!
