### Programme Details

1. A welcome song, presented by the students of **Canon Triest Middle School** to welcome the guests (Mr. Ashraf Rahmat and Bro. Naeem Niazi).
2. Prayers are offered by a teacher from the Canon Triest Middle School.
3. A Tablo presented by the students from class one of the Canon Triest Middle School. (*We should love those people who are suffering from some disability as they need our love and respect*).
4. A brief explanation of disability and the different types, and how such types of disabilities are treated.
5. Short tablo, presented by the students of Kashana-e-Ulfat (Human Dignity).
6. A tablo presented by Class Prep. (*A door has two sides; one will lead us to the brightness and the other side will throw us in to the darkness where negative energies live, and this decision depends on us that which side we will go, we will choose for the bright side or the dark side*).
7. A tablo presented by the students of the Canon Triest Middle School (*We should not make fun of any person who has a disability. If we do so, God is watching us and he can punish us*).
8. Bro. Naeem Niazi shared his thoughts with the students about Disability Day.
9. Mr. Ashraf Rahmat (Regional Coordinator of Fracarita Pakistan and Director of the Canon Triest Middle School) addressed the students about the equality of human beings and the importance of the rights of people with disabilities and their true place in the society. He briefly defines the meaning of **“Disability is not inability”**. (*People with some disability cannot be discriminated by saying that they are not able to do anything, disability does not affect the ability of any person*).

**Welcome Song presented by the students for the Guests**
