Complete the Classes

Your aim is to complete each of the 23 Gracie Combatives lessons three times. Your instructor will mark which classes you have attended on your card. Stripe check marks are awarded for every class you attend (20 lessons per stripe).

Reflex Development Class

After you have completed each class one time you can attend RD classes. In these lessons you will start to sharpen every technique from each position (Mount, Guard, Side Mount and Standing). You will also begin challenging all of the moves in every possible combination at different levels of intensity with Fight Simulation Sparring. Please note: This class floats throughout the week to ensure everyone has access.

GC Belt Review

Once you have completed every class three times, your ability to execute the techniques is perfect and you can handle yourself under pressure during fight simulation - speak to your instructor about requesting a belt review class. If your instructor feels you meet the quality standard (and the Gracie University confirm this) you will advance to the Master Cycle. If not, you have detailed feedback on which areas you need to work on.
