

# MAKE CLUB MANIFESTO

**MAKE. CREATE. SHARE.**

Make Club NZ is where people meet to make, create and share using tools of the day in a fun and social environment. Creation in meaningful contexts that transforms thinking.

## **MAKE**

Learning to navigate and manipulate digital technologies including programming, build robots, electronics and science/physics based concepts

## **CREATE**

Using new materials and resources in innovative ways

## **SHARE**

Meaningful creations made in a safe collaborative environment. Participation for all as learners.

Share the joy alongside your kids - watch, join in, teach
