With the legalization of weed, the Government promised that people convicted of simple possession (up to 30 grams) can soon apply for a record suspension (pardon). They also promised that there will be no fee for the application. Our lawyers will assist you for free to fill out your pardon application form.

Donations of non-cash items are welcome. If you have an item at home that you do not use, bring it with you. We will make sure it will find a home that needs it.
