

JUNE RC NEWS

RC Team got to celebrate our girl, Kendell, with a Surprise Bridal Brunch!!!

Chiropractic Fact: Patients will ask what they need to be doing inside or outside the office in addition to their chiropractic adjustments. Simply put: **Get moving!** Whether it is walking, riding a bike, or lifting weights, as a society, we've put too much emphasis on overcomplicating health. The key, Movement!

Where to find the RC team in the community this month?

Mid-MO Baby Expo
June 1st 8-12pm
