The track club will offer these discounts up to (NOT including) race day registration. There are two ways to receive the member discount.

1. **Mail-in:** mail-in forms, simply fill-out the form and send in the indicated member fee. We recommend this for youth members that do not have an individual e-mail account.
2. **Online:** when registering online the discount is already applied to the individual member account. EACH adult member must be logged into their individual Chronotrack account for the discount to apply. Do not attempt to register multiple members under one login, you will receive only one discount.
