Let's find some place nice and air conditioned. All that choreography is making me sweaty.

KID

How about I go see what that reporter is saying. I'll get a selfie for my Instagram. Besides, she's pretty close to the entrance.

MOM (G-LOW)

No fraternizing with the Press. They've been very unkind to your father.

KID

But Mom, you know I'm a budding journalist. I gotta meet my peeps.
