F# SNOOP (AS TOUR GUIDE):

Wel-come, hu-mans, boys and girls, twin-kle your toes and twirl your curls. A

new zoo sto-ry is set to be-gin, be-hold as the vi-si-tors roll on in! An e-co ad-ven-ture's a-hold, to

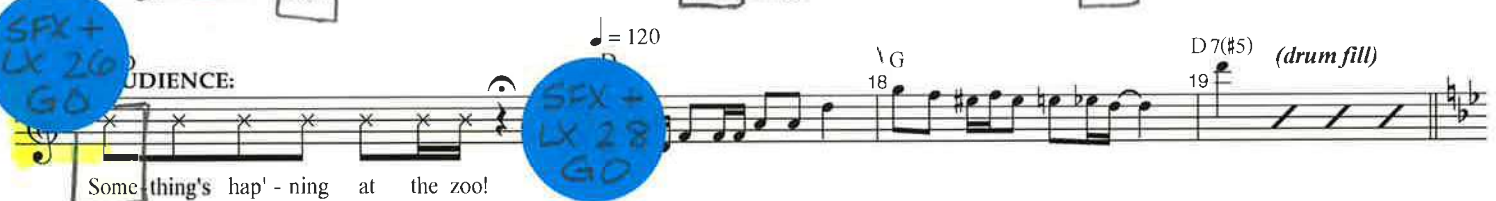

make us sus-tain-ab-ly con-sci-ous and bold! You've come to the pla-net, you're at the show, so o-pen your eyes and here we

JANIE: Welcome everybody to the New York International Zoo, where "Something is happening!" I'm Janie Goodall, reporting live for ZNN, the Zoological News Network, at the brand new exhibition: "On the Brink of Love" with Endangered Species From Around the World! Literally, animals from every continent on Earth. They must have like a million frequent flier miles!

LEVI: Wow! Look at this place! Towering trees, bridges, fountains, and snack bars, too! I want to see every animal from every animal kingdom!

EINSTEIN (as DAD): Levi, we didn't come here to trek around looking at every Tom, Dick, and Simba!

LEVI: But we finally got here, Dad! I wanna see it all!

DAD: Let's find some place nice and air conditioned. No need to over exert ourselves.

LEVI: How about I go see what that reporter is saying. I'll get a selfie for my instagram. Besides, she's pretty close to the entrance.

MOM: No fraternizing with the Press. You never know what they'll say.

LEVI: But Mom, you know I'm a budding journalist. I gotta meet my peeps!
