7 years ago, *LinkedIn sent this email* to me. I had no idea I was doing anything special.

At that time, I had about 8000 connections. I knew I was happy with the amount of interest I was receiving, but special?

A RE speaker bureau hired me to train real estate agents nationally on LinkedIn 3 years ago. They asked me to put together a presentation...this is THAT presentation!

I have given this material to agents for *several RE associations* over the last few years, and it has been received **VERY** positively! Now I'm doing this presentation online.

Join us on November 7th!

**The fastest growing social
media platform** (7 years ago it was 200 million)
