Dear Applicator,

Below are test results for a commercial pesticide license.

Your license will be issued if you passed general-core and a category, provided the proper ID, and have a complete application on file.

If you wish to re-take failed exams, you will have to wait 5 business days after the failed exam to re-test. You can register on-line for future exams at www.agri.ohio.gov or by calling ODA at (614) 728-6987.

NOTE: Passed exams are valid for one year from the testing.

Table with 7 columns: Date, Category Description, Test ID, Pass/Fail, Your Score, Pass Score, Max Score. Contains two rows of exam results.

Sincerely,

Handwritten signature of Diane Roll
