Progression into the 12th LAWASIA International Moot Competition - International Rounds

The team that wins the Final Round will be the Champion Team while the other finalist team will be the 1st Runner-Up Team. The 2nd Runner-Up Team and the 3rd Runner-Up Team will be determined from the rankings in the Semi-final Rounds.

The Champion Team will represent Malaysia in the LAWASIA International Moot Competition held in the same year. The 1st Runner-Up Team (the other team of the Final Round) will be the second team to represent Malaysia in the International Rounds provided the 1st Runner-Up Team is from a different institution to that of the Champion Team.

In the event that the 1st Runner-Up Team is from the same institution to that of the Champion Team, the 2nd Runner-Up will then be the second team to represent Malaysia in the International Rounds.

In the event that both 1st Runner-Up and 2nd Runner-up Teams are from the same institution to that of the Champion Team, the 3rd Runner-Up will then be the second team to represent Malaysia in the International Rounds.

The teams progressing into the International Rounds must be represented by the same members of mooters who participated in the National Rounds.
