### The Beth Ora Community Comes Together To Help the Needy

Montreal, QUEBEC, September 12, 2017 – There were all smiles at Congregation Beth Ora on Sunday September 10th, as the community came together for a community bonding activity. The goal was to create a giant fruit salad that was then distributed to the needy.

“There was an excellent turn out for the event in which children as young as two and congregants in their seventies stood side by side as they worked together to prepare huge amounts of fruit salad,” explained Rabbi Anthony Knopf, rabbi for Beth Ora. Volunteers washed, chopped and mixed, as children prepared stickers to put on the trays of fruit, which were delivered to shelters and senior homes.

“Thank you to Esposito for their generous donation of fruit,” said Rabbi Knopf. “A great time was had by all! We can’t wait until next year!”
