“Selfie” Scavenger Hunt

Take your attendees on a tour around the Port of Dubuque with a twist. Each team will get a list of clues, which they will have to decipher to find the location of their next selfie. The locations include local hotspots in the Port of Dubuque such as Diamond Jo Casino, Mississippi River Museum, Marina and River Walk. Each team will send the photos to a provided phone number or email address. The Grand River Center facilitator will put these photos into a slideshow to present at a designated time during your meeting. An award can be given for most correct answers or for most creative photos.

Time: 1-2 Hours

Price: \$25 per person, minimum \$250.00

Garbage Golf

An assortment of objects will be placed in the middle of the room for each team to use. Once each team has as many pieces as they think they need they will assemble a mini putt putt hole. Each team will then play all the mini putt putt holes. The team with the lowest combined score wins. There can be an award given to the most creative design, if the company leader chooses to do so.

Time: 2-3 Hours

Price: \$25 per person, minimum \$250.00

You Pick 3!

Choose between three of the following team builders for your attendees to participate in for an afternoon.

The Grid

A grid will be taped out on the floor and each team must figure out how to get across the grid. The catch is that no one on the team knows what the map looks like to cross the grid. One person from each team will get one guess at a time. If guessed correctly that person may stay in that square so the next teammate can guess the next step. Each team will have a different map to get across the grid. First team to get across the grid wins!

Pipeline

Each team will get a various amount of PVC pipes of various lengths. The object of the game is to get your golf ball from one side of the room to the other without dropping the ball. If dropped your team must start over. The team to get to the finish line the fastest is the winner!

Island Hopping

Each team must get their entire team to the other side of the room using only two pieces of wood. Along the way there are islands that you can drop people off at, however, only so many people are allowed per island. Can your team get to the other side first? First team to get all their team members to the other side wins!

Quick Draw

Quick draw will put your attendee's art skills to work. It's a fast paced game of wit and imagination where all you can rely on is your drawing skills. Each group will get a set of words based on a theme chosen by the company leader. Each team will then go head to head drawing that word. Whichever team guesses correctly gets a point. The catch is you only have 60 seconds to get your team to guess correctly. The team with the most points wins.

Time: 2-3 Hours

Price: \$25 per person, minimum \$250.00
